US EPA RECORDS CENTER REGION 5

477676

Hi Shari,

Carol is out on leave at the moment helping her daughter in Vermont who had premature twins and a C-section on March 7.

Sorry.

Wally

Wally,

Sorry, I do have updated trend charts (attacedm to the Jnauary 7, 2913 memo) but it only goes to July 2012. Can Carol update these for the FYR?
